## ANNOUNCEMENTS

The shepherds continue to monitor COVID numbers in our county and encourage us all to be prayerful as we travel through this season. It is not easy. At this time, our precautionary measures regarding the assembly include the constant filtering of our clean air system, asking anyone experiencing any illness or possible COVID symptoms to refrain from attending assemblies, and encouraging people to spread out as they are able. We will continue to utilize individual communion kits. Masks, thermometers, and hand sanitizers will be made available. We will continue to offer YouTube streams of our Sunday morning services for those that are not present because of COVID risks. We ask that each of you be prayerful as you seek God's wisdom. In Christ we ask that we all act in the interests of others, and assume the very best of motives for the choices of others.

Ladies Bible Class resumes Tuesday @ 10:00am in the Fellowship Hall. We will not have a brunch due to Covid. This year, we are going to do a study of Romans by Melissa Spoelstra. Books are \$10 and will be handed out on Tuesday. Please remember to park in the yellow spaces.

**CVYG Mountain Trip October 9th-11th** to hike, play, and enjoy time together. Friends welcome! The cost per student will be around \$100. See Allison Rector for additional details.
